

Küllemverseny:

Megjegyzés:

- Butterfly (Alice): amelyik lónak nincs nyereg /lovas nélküli képe, azt a nyerges kategóriába kell nevezni küllemversenyen.
- Fírnen (Alice): póniknak is volt külön alkategória. A lovaidat átraktam a megfelelő helyre, de legközelebb figyelj oda kérlek!
- SF Evita: nyerges képpel nevezted, nem a kanca kategóriába való, átraktam a megfelelő kategóriába.
- Sierra Gold Lynx: a kukacát szerintem fotosoppold le.
- Osceola Warrior: az övét is.
- Acid Smoke: nem megfelelő kategóriába lett nevezve, vagy nem adott le teljes alakos képet. A kancák helyett a nyerges kategóriában találsz.
- Riverbank Artic Falcon: szintén a leadott képek miatt a ménékből a nyerges kategóriába került át.

Kizárva:

- Lady Morgana, Serena: sajnos nem jelentek meg a képeik.

Mének:
